Hi, Karen

I wanted to let you know we passed through that hurdle tonight.

So we will proceed with the development of the health consultation(s). We can discuss more tomorrow I'm sure. I am interested to learn more if you can share anything about ORD's planned review as well - it would be good to see if we can reduce overlap, unless the goal is to have two opinions to weigh.

Thanks, Lora
Lora Siegmann Werner, ATSDR/CDC Region 3
